

5" In-Wall Touchscreen

**OVERVIEW**

Next-generation user interface provides primary, whole-house control up to 32 rooms - entertainment, lighting, cameras, door locks, thermostats, motorized shades, pool and more. It delivers intuitive two-way control of Total Control and compatible third-party products for the ultimate smart home experience.

- In-wall touchscreen with 5" high-resolution color LCD
- Sleek, premium design with matte black frame and sculpted metal side panels
- A/V intercom, camera, microphone and speaker
- Ideal for door station and surveillance camera integration
- Features Night Mode, Proximity Sensor, Rooms Menu and Power Menu
- Installs in standard single-gang wall box – portrait or landscape
